AN EXCELLENT CHANCE TO HEAR WARDE

The people of Sierra Madre have a chance to hear Frederick Warde of Mission Play fame at the Congregational Church next Thursday night, the 19th, following the Men's Community Club banquet. However, there will be some additional expense and it remains for the people of this city to state their wishes concerning the matter. Mr. Warde asks \$50 for the evening's entertainment. Personally we think it would be worth the money. We heard him at Alhambra, and his speech on reminiscences of his stage career was humorous, pathetic and entertaining. His voice is clear and strong and his demeanor is singularly pleasing.

The Men's Community Club will have to have \$35 extra money in order to get Mr. Warde to come. They cannot charge admission to the church and those who have paid their money in advance for banquet tickets cannot be asked to give more. But here is a suggestion. If you feel like giving 50 cents, 75 or one dollar extra to hear Mr. Warde, will you kindly telephone George Norris, secretary at the Norris store, Mr. Hull at the Sierra Madre Hardware store, Rev. W. H. Thompson at his home, F. H. Hartman at the drug store or phone this office, by Monday noon May 16, and your name will be taken with the amount opposite. There will be no tickets issued, but you can pay either of these gentlemen or at the church. We feel sure that the people of

this town who want to hear something good and enjoy an evening brim full of pleasure will not permit an opportunity like this pass. This is the last of the spring gathering's of the Club, the remaining four will be given in the last four months of this year. The funds must positively be guaranteed by Monday noon in order to insure Mr. Warde's coming.

SERVICE MEN'S TABLET TO BE UNVEILED

The Chamber of Commerce committee in charge of the tablet to be erected in honor of the men of Sierra Madre who served in the World War have arranged for the unveiling of the tablet with appropriate ceremonies on Sunday May 29th at 2 P. M. A concrete base and pyramid on which the tablet will be attached will be erected on the lawn at the Public Library. It is expected that music will be furnished by a brass band a prominent speaker from Los Angeles will deliver the address. All the details have not yet been arranged but the veterans of former wars are to be invited as guests of honor and it is hoped to have a large number of the school children present in a body.

Monday May 30th, Decoration Day is the date set aside by the whole nation for honoring its soldier dead. It was found by the committee that many of the ex-soldiers living here would not be able to attend the ceremony on Monday, so it was decided

to hold it on Sunday afternoon that they might have their share in the occasion and yet have it as near as possible to this great patriotic anniversary. Sierra Madre is fortunate in that, while many of our boys saw service "over there," we do not have any saddening thought of white crosses marking a resting place in foreign lands for any of them. So it is with special gratitude that this city prepares to fittingly install a permanent acknowledgement of the service rendered the nation and humanity as a whole by the men who went from our midst to serve under the Stars and Stripes.

CITY NURSE RESIGNS
Miss Mary A. Young has resigned as city nurse. Her successor has not been appointed. There is no dissatisfaction with Miss Young's services and she is giving up the work only because of certain elements that she has had to contend with cannot be eliminated at this time. There are certain health ordinances that should be obeyed, there are certain families that do not obey them. She has worked hard and has been anxious to keep things clean, and she says that she feels that instead of a nurse to give advice, the city should appoint a policeman in her stead.

A Moral Obligation

For Quality and Service:

Sierra Madre Garage

THIS establishment is practically a monopoly as regards complete automobile service in Sierra Madre. We feel in honor bound, therefore, to serve the public faithfully and well.

EIGHT years ago we commenced business in our present location. Our simple policy -- "Service Without Limitations," caused our plant to become regarded as something more than a garage:—an institution.

OUR organization is the embodiment of a desire to serve the motoring public with dignity and efficiency. That such service may be assured, Harold Crandall, an experienced automobile executive, has been appointed Assistant Manager.

THE SOLDIER'S MEMORIAL TABLET

About two years ago there was a sum of money collected amounting to nearly \$350 to secure a fitting and suitable memorial to the soldiers of our own community who had enlisted in the late war.

A final decision was reached by the committee having the matter in charge to secure a bronze tablet with a suitable inscription and the same to be erected on the public library lawn. In due course of time the tablet came and was found worthy in every respect for the cause it was to represent.

Since that time nothing has been done to place this beautiful memor-

ial on the spot intended. For the last six months it has been standing in the window of a down-town shop a silent but unprotesting witness to the utter neglect of someone.

Every time I pass this tablet in its present resting place, I cannot help but feel that it appears to be a silent though unintentional reflection upon the men who enlisted in so noble a cause. It is plainly evident that none of the men in whose memory it is to be placed can take any initiatory action. That belongs to someone else. For a long time I have cherished the hope that some action would be taken in this matter but nothing seems to be projected. It is then with reluctance and some hesitation that I venture to suggest that some immediate action be taken to place so fitting a tribute in its proper place.

Our national day of Memory, May 30th falls this year on Monday. It might then be exceedingly appropriate to set apart an hour on the preceding Sunday afternoon or an hour on Monday with some brief and fitting service place this tablet in its permanent location.

We must never forget the sacredness and nobleness of that cause for which our men offered themselves and ever strive with our memorials to keep the sacredness of the cause fresh and green in the minds and memories of the men themselves.

"THE LORD BLESS THEE AND KEEP THEE." (Numbers 6-24)

The Lord Bless Thee!
How shall He bless thee?
With gladness that knows no decay:
With riches that pass not away:
With the light of His endless day—
This war He bless thee!
And keep thee!
How shall He keep thee?
'Neath the shadow of His wings:
With love that keeps from Evil things
With power that safe to glory brings
Thus may He Keep thee!

"How the Bible Came to Us," Essay Contest in

Congregational Church Tuesday afternoon with program at the Missionary meeting Tuesday afternoon.

Charles Hull read his essay, which took the first prize. Clayton McCaron gave a comprehensive black board demonstration. Both efforts were greatly appreciated.

Reverend Thompson spoke words of encouragement, commending the splendid work of the boys, which was brought about by the co-operation of the parents with the leader, Miss Annie Greene.

To those desiring to make a further study of the subject, two books were recommended by Rev. Thompson "The Syrian Christ," by Abraham Ribbany, and "All About the Bible," by Sidney Collett. The suggestion was followed by a motion which was carried without a dissenting voice, that the society purchase the books for the use of its members.

Marjorie Darling's piano solo, and Louise Pruden's vocal solo were received with applause. The young people assisted the hostesses to serve refreshments thus giving a delightful home atmosphere.

NEW EXECUTIVE AT SIERRA
MADRE GARAGE IS EXPERT

An aggressive young addition to the business life of Sierra Madre has recently been made by the appointment of Harold Crandall as assistant manager of the Steinberger Garage. Crandall and Milton Steinberger, the proprietors, are planning extensive improvements in the service system and intend to make the Sierra Madre institution one of the very best of its kind.

The new plan is to feature "front door" service—service of the highest order. One interesting item in this plan is the new Boyle-Dayton air operated gasoline service pump. This pump is particularly rapid, and is also accurate to an unusual degree. Quick courteous tire service also becomes featured under the new plan. Small mechanical repairs will be handled without delay.

Crandall was formerly a traveler in the Northwest for the Ajax tire company. Later he served in the sign-posting and road logging division of the Auto Club of Southern California and he came to Sierra Madre direct from northern Alberta, Canada, where he was manager of a coal mine owned by his father, F. W. Crandall.

His brother, Eugene Crandall, writer and former editor, and Mrs. F. W. Crandall, have resided here for some months. Mr. Crandall, senior, is now closing out his Canadian affairs and will live here after October 1.

GOES TO CANADA
FOR RACE MEET

W. D. Millard who lives at Arcadia will leave Saturday for Toronto, Canada for the spring race meeting. Mr. Millard is taking "Lonely" who won seven races at Tia Juana, during the season just closed, "Ollie Wood" who won five, "It" who won two and "Master Franklin" who won two races. These are all running horses.

LARGE CROWD ENJOYS DANCE

A large crowd gathered late in the evening Friday at the Club House to partake of the Firemen's hospitality. Rain did not cease falling until late and the crowd was not as large as had been expected. The Kidz Quintette furnished the music and the Firemen served the refreshments.

MOTORED TO SAN DIEGO

Dr. A. Allum and wife, Mr. Arthur Mullholand, Miss Edith Prosch and Dr. Dixon, Canadian and New York people who are visiting in Sierra Madre, motored to San Diego Wednesday where they will spend a week with friends.

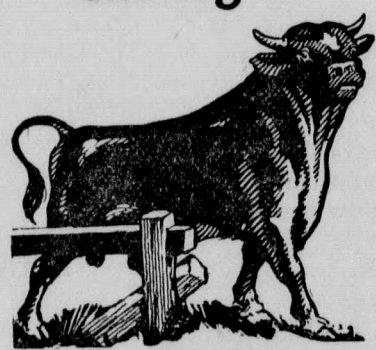

FOOTHILL FIESTA
PROGRAM COMPLETE

The program for Monrovia's birthday celebration on May 21st is complete and the stage all set for the "big show." The program is crammed full from the first bugle blast that will announce the floral parade in the morning to the "Home Sweet Home" of the Queen's Ball at night. The Queen, Mrs. Billy Crandall, assisted by her ladies in waiting will preside over the crowds attending the affair.

RETURN TO HOME IN EAST

CHRIS SHUTTLEWORTH Canine Expert of International Fame

CHRIS SHUTTLEWORTH
WILL PASS ON DOGS
Judge of Canines of International
Reputation Has Been Engaged
By Victoria Kennel Club For
May Show

Mr. and Mrs. Chris Shuttleworth left on Monday for Victoria, B. C., where Mr. Shuttleworth will judge all breeds at the two-day show of the Victoria Kennel Club to be held at Willows on May 27 and 28.

Mr. Shuttleworth is the editor of "The Kennel Advocate," a publication well known to all dog men, and he has had a long practical experience breeding, handling and judging dogs. He hails from Bolton, Lancashire, and came to America in 1909. While here he decided to cast his lot with Mr. William Ellery, of the famous Valverde Collie Kennels, in California.

He was manager of this kennel for five years, leaving to open up business for himself, with the result that he had one of the strongest boarding kennels ever on the Pacific Coast, many international winners of various breeds passing through his hands, a few of which were: Clonmel Master Nobler, Clonmel Cadet, Ch. Crofton Chum, Ch. Soudan Stamboul, Southport Salute, Tickle 'em Jock.

Started as Publisher
Later he began publication of "The Kennel Advocate," which at the present time can claim the largest circulation of any canine journal ever published in Western America.

In addition to being editor of this well known journal, Mr. Shuttleworth has been for over four years manager of the Anokaia kennels, owned by Mrs. Anita M. Baldwin, of Santa Anita, Cal. As is well known, this kennel is one of the strongest variety kennels in the country today, having since 1915 imported more noted winners from Great Britain than any one kennel. In Bulldogs may be mentioned the late Ch. Fairworth White Knight, who has done much in improving the type on the Pacific Coast, one of his get, Knight Errant of Anokaia, who is owned by the Anokaia establishment, upon his debut at New York, last February, winning first in the strong Non-Sporting Variety class. White Knight of Anokaia, a litter brother to Knight Errant, has distinguished himself by winning special for best Bulldog at Los Angeles, Santa Rosa, Cal., and Phoenix, Ariz., shows, also special for best in show all breeds at Los Angeles and Phoenix.

In Great Demand
Before the American Kennel Club ruling debarring professional handlers from judging Mr. Shuttleworth's services were in great demand as an all-around judge, and he has officiated at all the principal shows from Vancouver, B. C., Canada, to Los Angeles, California.

In addition to his many other pursuits he is also secretary of the Pacific Coast Bulldog Club, which has a membership of over fifty, and was one of the organizers of this live club, which is doing much for the breed on the Pacific Coast.

He has a few dogs of his own, including the red Cocker, Sandy Boy, that did well at New York last February; a good pointer, a few Wire Fox Terriers, among which, one might mention, is the old celebrity, Exon Eclipse, who was shipped to Canada some years ago by J. J. Holgate, and there known as Sunshine Badger.

VOTING CONTEST

The voting for the candidates for "Lady in Waiting" for the Monrovia Festival on May 21st is arousing considerable speculation as to the outcome as supporters of some of the candidates seem to be holding their ammunition in reserve till the last moment. The contest closes at 10 p. m. on Saturday the 14th and Pettitt's Store promises to be a lively place round about that time. It may be just as well to get your votes for your favorite in before that fateful hour as, in the grand rush at the close, some who wait too long may get squeezed out.

The list of candidates has grown and now stands as follows: Hilda Barrett, Dolores Christie, Betty McRoberts, Betty Mueller, Harriet Sperry, Betty Shaw, Louise Pierson, Edith Jones, Mattie Seeley, Gladys Walker and Muriel Tarr.

WILL MEET WITH MRS. VANNIER

The Woman's Guild of the Church of the Ascension will meet at the home of Mrs. E. H. Vannier, Friday, May 20. Mrs. Vannier as hostess will be assisted by Mrs. Howard.

COOKED FOOD SALE

The Woman's Guild of Ascension Parish will hold a cooked food sale, Saturday, May 28. Plan to buy your pies and cakes to take with you on your picnic Decoration Day.

SOUTHERN CALIFORNIANS TO
GIVE FLEET SEND OFF

Every resident of Southern California is invited to participate in a rousing send off for the men of the Pacific Fleet prior to their departure for an indefinite cruise, June 4. The date has not been set, but it is probable that it will be on Saturday at some point near Los Angeles harbor, in order that the greatest possible number of men may attend.

A gigantic program will be arranged in conformity with the suggestion of Admiral Hugh Rodman, who declared that he did not desire any functions of any sort for himself or the officers, but would appreciate all Southern California participating in a party for the men.

DO-A-KINDNESS DAY

Appropriately following Mother's Day, we have Do-a-Kindness Day on May 21st. This day is observed in commemoration of Grace Dodge, founder of the Y. W. C. A. and whose birthday falls on that date. Could there be any finer memorial than doing a kindness to some one on that day? A kindness is never forgotten, and there will be many millions of happy memories if we all do our part.

TENNESSEANS CALLED
TO PICNIC

All who ever lived in Tennessee are called to a great picnic reunion, all day, Saturday, May 21st, 1921, in Sycamore Grove Park, Los Angeles. Come as early as you can and spend the day with friends. We will have county registers and headquarters so you can find the old neighbors even with thousands present. There will be a brief program but the main purpose will be to have a good time and to meet your friends from all over Southern California.

The Story of
Our States

By JONATHAN BRACE
XVI.—TENNESSEE

THE history of Tennessee stretches back to the year 1541 when De Soto with his party of Spanish adventurers probably reached the present site of Memphis on the Mississippi. The French under La Salle built a fort here about 1682. The English also laid claim to this territory, including it in the grant to North Carolina. It was not until 1770 that the first permanent settlement was made by James Robertson and this was soon followed by many other settlers from North Carolina. They formed what they called the Washington district, but this was short lived as it was promptly annexed to North Carolina. In 1784 the inhabitants, indignant over North Carolina's attitude toward them, declared their independence and formed the State of Franklin or Frankland. As this secession was not countenanced by North Carolina, for a number of years a state of confusion existed with two sets of officers trying to govern. Meanwhile the settlement suffered severely from hostile Indians and from the Spanish, who still held Louisiana, and controlled the Mississippi river. In 1790 North Carolina finally ceded this territory to the United States. By 1796 the population had increased to over 60,000, so Tennessee was admitted as the sixteenth state of the Union.

At the outbreak of the Civil war, Tennessee joined the Confederacy. In 1863, when the state was readmitted to the Union, there was much disorder during the reconstruction period. This led to the formation of the Ku Klux Klan, the influence of which quickly spread throughout the Southern states. This secret organization took into its own hands the suppression of crime and the administration of justice. Tennessee contains 42,022 square miles, and is sometimes called the Volunteer state. It is named after its principal river, which is a Cherokee word meaning "Crooked River" or "bend in the river."

The Mountain Glen Healthatorium
and Rest Home

Churchill Road, Sierra Madre, Calif.

Finest location in California, above the fogs and frosts, at an elevation of almost 1400 feet above sea level, which gives that freshness of a glorious crisp air so ideal for complete rest and relaxation.

Every comfort, care and kindness under the direct supervision of Mrs. E. A. Chadwick and assisted by Mrs. G. Almond, late of Long Beach.

The Mountain Glen Healthatorium is especially equipped as a Rest Home and for the treating of those cases so difficult to treat at home.

Special diet—Care—Nursing and Kindness with every Medical Comfort and Attention which makes it so rightly named.

A School of Health, Rest and
Good Cheer at a Price All
May Be Able to Pay

For the Cause that needs Assistance;
For the Wrong that needs Resistance;
For the Future in the Distance,
And the Good that We can do.

The Mountain Glen Healthatorium and Rest Home is located within 17 miles of the City of Los Angeles, Southern California, and is near the base of the great mountains just beyond Pasadena, the most attractive Mountain District in Southern California. This location was fixed upon after much expense and difficulty in search of a suitable climate with sanitary surroundings free from congested traffic dust, and with abundance of fresh pure mountain water, with a minimum of fogs, frost and wind, and owing to the natural drainage it is free from any malaria. Located about five miles from Monrovia car depot and three miles from Arcadia car depot, where the winters are mild and summers are equally pleasant. No such extreme heat is known

as is found on the lower desert, while the elevation is about 1400 feet above the sea and is immediately near the base of Mount Wilson. The invigorating air kept pure by the currents moving constantly up and down the slope, makes the climatic conditions perfectly ideal and so beneficial in Health Reconstruction Work.

Statistics show it to hold second place in America as a Health Resort, and is rightly named a Paradise for the lover of Nature. The selection of this location makes it altogether so valuable as an ideal spot for this School of Health—Rest and Good Cheer.

Special features are given in the care, nursing and treatment of those who are in Delicate Health, and entrusted to our care.
